

Occupational Therapists - New and Experienced Mackay

We are seeking passionate, energetic and caring professionals with a “can do” attitude. who truly want to make a difference in the lives of people with disability.

Own It | “How we get the job done”

In Mackay we are fortunate to assist a diverse range of NDIS participants in our Supported Independent Living, Community Access, Programs and Respite Accommodation services. Our clients have a range of disabilities and challenging behaviours. We are seeking professionals who are resilient and have a sound understanding of the importance of supporting people in line with our commitment to the NDIS practice standards.

The allied health team provides quality support to people with a disability to improve the outcomes of its service users through implementation of appropriate supports, including therapy-based interventions and living adjustments.

Keeping Calm & Being Happy | “How you will interact with people and other benefits”

Being part of Engedi means you are making a difference in people's lives. Our team is made up of people who care and who are committed to enriching the lives of our clients.

Other benefits include:

- Competitive hourly rate for experienced practitioners with opportunities for fortnightly bonuses
- Supportive and empowering management team
- Salary Sacrificing
- Relocation benefits are an option
- Professional development allowance
- Payment of fees for insurance and professional memberships
- Flexible working arrangements

Respect | “Who we are and why we do it”

We are people who care. Engedi provides support to people with a disability, their families and communities. Our clients receive services designed to meet their everyday needs and support them to achieve their goals. Our workforce is committed to providing service that is caring, reliable, responsive, flexible, friendly and empathetic. We believe that everyone should have equal opportunities. We advocate for everyone to have a voice. We do this by providing our clients access to quality services and dedicated professionals who can make a real difference in client lives.

Responsibilities will include:

- Day to day you will support our valued clients to improve their quality of life.
- Completion of all necessary assessments, report writing and interventions to improve all areas of daily living, community-based services, mobility and home safety
- Communicating assessed needs clearly and precisely to Service User / family / stakeholders including NDIS within appropriate time frames
- Supporting our clients to engage with their local communities and culture
- Nurturing dignity, autonomy and positive self-esteem.

Make It Matter | “What you will bring to make a difference in other's lives”

- Tertiary qualifications in Occupational Therapy
- Demonstrated experience
- Current registration with APHRA
- Strong communication skills both written and verbal;
- Current drivers licence (mandatory requirement);
- Current Blue Card (mandatory requirement);
- NDIS disability worker screening clearance (mandatory requirement);

- NDIS Worker Orientation Module (mandatory requirement);
- Current First Aid and CPR certificates
